

# Index to Volume 23, Numbers 1-7 January-June 1976

This index is divided into two sections, the Name Section and the Subject Section. *Articles* are entered under the name of the author(s) in the Name Section and under one or more subjects in the Subject Section. *News Items* are entered under one or more subjects. *Organizations* appear in the Subject Section. *Book Reviews* are found under the author of the book and the writer of the review in the Name Section and under "Books" and one or more other subjects in the Subject Section. Subject headings are those found in *Medical Subject Headings* (National Library of Medicine) and in the *International Nursing Index* (American Journal of Nursing Co).

Abbreviations used in this index:

abs (abstract)  
BR (Board report column)  
bk rev (book review)  
ed (editorial)  
educ (AORN education column)  
F (after page number indicates page in foreign edition)  
HIMA (Industry's viewpoint column)  
HQ (Headquarters in operation column)  
jt auth (joint author)  
L (letters)  
Legis (legislation column)  
N (news item)  
PM (President's message column)  
Q&A (Questions & answers—the experts research column)  
Res (Research committee column)  
SO (Speak out column)

The numbers following each citation refer to volume, number: page.

## NAME SECTION

Alexander, Carol  
AORN's role in approval of CE in nursing (educ) 23,6:959  
Nurses ignore importance of sexuality in OR (educ) 23,5:743  
Alterman, Sara Katsh  
Clinical nurse specialist bibliography 23,4:601  
Balasaraswathi, K & El-Etr, Adel A  
Cardiovascular preop evaluation 23,2:209  
Preop evaluation of drug history 23,4:616

Barckley, Virginia  
OR nurse wears cancer nurse's cap 23,2:290  
Barrett, Jean  
The head nurse (bk rev) 23,5:918  
Baum, Sonya Solosko  
A program for teaching cardiac surgery patients 23,4:591  
Beard, Janet M  
Quality care administration's concern 23,7:1326  
Beck, William C  
OR standards lauded for ambition, criticized for omissions, requirements (ed) 23,4:604  
Bennett, Barbara M  
Deviant behavior in the OR 23,5:786  
Blake, Robert  
jt auth see Grubb, Reba D

# Index to Volume 24

## Numbers 1-6

### July-December 1976

This index is divided into two sections, the Name Section and the Subject Section. *Articles* are entered under the name of the author(s) in the Name Section and under one or more subjects in the Subject Section. *News Items* are entered under one or more subjects. *Organizations* appear in the Subject Section. *Book Reviews* are found under the author of the book and the writer of the review in the Name Section and under "Books" and one or more other subjects in the Subject Section. Subject headings are those used in *Medical Subject Headings* (National Library of Medicine) and in the *International Nursing Index* (American Journal of Nursing Co).

Abbreviations used in this index:

abs (abstract)  
BR (Board report column)  
bk rev (book review)  
ed (editorial)  
educ (AORN education column)  
guest ed (guest editorial)  
HIMA (Industry's viewpoint column)  
HQ (Headquarters report column)  
jt auth (joint author)  
L (letters)  
law (OR nursing law column)  
legis (Legislation column)  
N (news item)  
PM (President's message column)  
Q&A (Questions & answers—the experts research column)  
Res (Research committee column)  
SO (Speak out column)

The numbers following each citation refer to volume, number: page.
